THIS IS MY NEWSLETTER DATED AUGUST 30TH 2008. Please Read!

Today, Mars, Mercury, Venus and Moon are all in conjunct together in the zodiac sign of Virgo. Sun and Saturn are together in Leo. Rahu aspects this cluster of planets in Virgo.

This time is not good for America, as all these planets cluster up in the 8th house from the Moon sign Aquarius. There could be storms, great destruction, transportation severely affected, and accidents could take away lives. This month is not a good month for holidays and travels. There would be some areas in the South and East which would get badly affected. Countries in south east, far east and the **Southern coast of America is highly susceptible to vagaries of the weather and fury of nature.**

People who have the Moon sign of Virgo, Leo, Aquarius and Gemini should be extra careful. There could be danger for them. Do not travel during this month.

Water borne diseases could be a cause of concern. Land and property will also suffer. **Financial challenges continue for the country and recession could hit at maximum.**

From October things settle down, and ease off. This month is a hard one for America. All should exercise tolerance, patience and wisdom.

- Dr Rakesh Kumar - ISHWAR newsletter : August 30Th 2008.

All of you must have heard of the devastation that the storm IKE caused in Galveston, Texas down south of America. It is said to be one of the worst disasters that hit America. You must have also heard of the collapse of the economy due to the crash of the Wall street, and it is the worst financial collapse that America suffered so far. In the East, in India, last week there were a series of bomb blasts in the city of New Delhi, by Islamic terrorists. There was an earthquake in China too.

MAY GOD BLESS AMERICA!!!

Now about the much awaited Presidential elections in 2008.

I had written in my earlier newsletter that Obama would win against Hillary Clinton. I have seen John Mc Cain's chart, Sarah Palin's chart, and Joe Biden's chart too. This is a synopsis of the readings:

OBAMA born 8/4/1961, Honolulu.

He has Jupiter and Saturn together in the 9th house, the house of Dharma. He has Venus in the 2nd house, Sun and Mercury together in Cancer. This shows that he is a man of righteousness and faith. He is principled in his mind and has a deep philosophical mind. He will apply righteous values, human values, and will not give in to wrong actions. He has a great inner strength, but he needs to be more expressive in his faith and beliefs. He is in the major period of Jupiter and he will follow good karma in his life. Rahu in the 4th house can create some uncertainty in his mind at times, that too, because of his own people, but wisdom will prevail and he will be very clear from December 9th this year onwards.

John Mc Cain, born 8/29/1936, Panama.

John has Moon in Capricorn, with Mars opposite in Cancer. Saturn in Aquarius in 2nd house, Sun and Venus in 8th house in Leo, Mercury in 9th house and Jupiter in Scorpio in 11Th house. He also has Rahu in 12Th house in Sagittarius. He is going through the major period of Saturn and a transit called Ashtam Shani. His chart shows that he is a short tempered man, easily irritated and angry. He will always differ from others and be quite cynical about things that he speaks of. America has the moon sign of Aquarius, and with Mc Cain's Saturn in Aquarius, it does not spell good for America. People who have so much of anger within cannot be balanced in their judgment and actions. He could be worse than George Bush!

Joe Biden, born 11/20/1942, Scranton.

Joe has Moon in Aries, with Saturn in Taurus, Jupiter in Cancer in 4th house, Mars and Mercury in the 7th house, Sun and Venus in Scorpio in 8th, and Rahu in 5th house. He is also going through the major period of Jupiter now. Joe is quite an opponent for John Mc Cain! He is a no nonsense man, and will be quite outspoken. But still, a man who talks sense, talks of values and ethics, with a factual approach towards any situation. His mind will be driven with spiritual values and practical applications.

Sarah Palin, born 2/11/1964, Idaho.

Now this is the most interesting of all!

Sarah has the Moon sign of Capricorn- just like Mc Cain, she too has Saturn in Aquarius in the 2nd house like Mc Cain, she has moon, mars, mercury and sun all conjoined together, Venus and Jupiter together in Pisces in 3rd house, and Ketu in 12th house. Lots of action packed drama here!

Yes, drama! She is a dramatist, an actress, outspoken, strong headed, typical Yankee brand, fun loving, careless, irresponsible, and one who has little moral values. She would better be an actress, dramatist or in theater!

She has a lot of anger and aggression in her, Big Ego, and a sense of ruthlessness in her character. Flamboyant, flashy, show off, money and fame driven. There is a lot of fakeness about her. She also has Kaalsarpa yoga, which is a unique combination where all planets come between Ketu and Rahu, and the other half of the horoscope is empty. These sort of people are extremes in their life, and are unbalanced somewhat. She is in the major period of Jupiter, and that's why she was nominated as the vice president candidate. For her, war would just be another action packed drama, where she could watch the action and play the game.

Pack up Palin!!!

I had mentioned in my earlier newsletter, and also spoke on the WBAI radio that America is going through the major period of moon and there will be destruction, and decline of prosperity during this period. But now America is about to start the major period of Mars from October 2008. There will be better times soon. But I also say that America will yet go into another major- major positive change from middle of December 2009 onwards. That will be the best time for this country. Until then, lets all make the right choices, and exercise wisdom, patience and pray for the well being of all Americans and the world, for these are truly testing times.

WE ARE NOW WORKING WITH SOME GOOD SOULS AND SATYA SAI BABA DEVOTEES TO COLLECT CLOTHES, FOOD AND OTHER SUCH REQUIREMENTS TO BE SENT TO THE STORM AFFECTED AREAS IN GALVESTON/HOUSTON, TEXAS. WE ARE TRYING TO HELP AS MUCH AS WE CAN. THOSE WHO ARE INTERESTED CAN CONTACT US.
