Dear friends

Therefore I am sending you the direct link here, so that you may listen to it on a click. You may also download the program if you wish, by clicking on the download link on the site.

I did the radio program on Bhagwan Sri Satya Sai Baba, on WBAI radio on July 9th 2009, on Thursday. Thursday is Guruvaar in Hindi. It is also the Thursday immediately after Guru purnima. Guru purnima is a very holy day, and very auspicious as per the Hindu calendar. Satya Sai Baba is the Sadh Guru, which means, Guru of all the Gurus: - God.

Whatever I have been doing is because of Swami's will, and His blessings. Something to think about of this program, on this day. It happened on Thursday, which is Baba's day. The date was 9th, again, Baba's number. The year 2009 ends with 9.

Now here's more.

9 - 7 - 2 0 0 9 - This is 9th of July, 2009.

$9 + (7+2) + 009 = 9 + 9 + 9$. There are three 9's (Brahma+Vishnu+Shiva).

Also, Shirdi Sai, Parthi Sai, Prema Sai. The 3 Sai incarnations.

Add all of them together $(9+7+2+9) = 27 = 2+7 = 9$

Isn't this so unique? Divinely unique!

And wait, my date of birth is also 9. 9th March!

Lets Hope and pray to Swami, our Lord, that He may give us more opportunities and include us in His divine mission!

Love all, serve all.

Om Sri Sai Ram.
