Bhagwan Sri Satya Sai Baba leaves his physical body on April 24, 2011.

This is a message for everyone. Sri Satya Sai Baba left His physical body today, April 24th 2011. Billions of people around the world have been praying since the past month for Baba. Never before in the history of creation, have so many billions of people around the world have prayed intensely together. All this huge spiritual energy created is going to transform the world and save mankind from destruction. If He had not chosen this way, then people around the world could never have prayed so intensely.

He had said that He will live till the age of 96. So did all the scriptures that this great avatar will be in His physical body till the age of 96. But Baba may have changed His plans. He is God after all, and He is doing whatever is best for humanity, to save the world. He may now start appearing for darshans in causal form for the next 10 years, or He may come back into this body, or He may come back 10 years earlier as Prema Sai avatar.

Did Rama and Krishna not leave their bodies? Did Guru Nanak, Buddha, Jesus and even Shirdi Sai not leave their bodies? Satya Sai is the most powerful avatar that has ever come to earth, and the way He has transformed billions of people around the world - No one ever has or can. We are very fortunate even to know Him, or even to know of Him. In this Kaliyuga, evil is so rampant on earth that God has decided to transform the evil instead of destroying evil. So the plan and purpose of this avatar will surely be fulfilled. Do not have doubts about this. He is Paramatma, God in human form, and not a mere saint or holy man.

He has said many times earlier "There is no one to know who I am. Do not try to know me, do not try to analyze me. I have come to install faith and virtues in humanity and bring peace and love to the world. I have come to re-establish dharma so that humanity may see the golden age, the age of truth, of Satya Yuga." Baba has promised us that He will forever be with us.

So dear devotees, have faith. What Satya Sai Baba has done for the world alone, no other

avatar has ever been able to do that. He is Narayana. He is God.
Remember the 3 F's always.

FAITH – Have unshakable faith.

FOLLOW – Follow Baba teachings

FULFILL – Fulfill your duties

And merge with Swami!

Sai Ram.
