### The Election Day & The World Crisis

Dr Rakesh Kumar's predictions of November 5<sup>th</sup> 2016

Dear Friends,

The US elections are just 3 days away, on November 8<sup>th</sup>, Tuesday.

The planets are not in a good harmony. On November 8<sup>th</sup>, at about 9 am, the sign Scorpio will be rising with Saturn in it. Venus will be in Sagittarius, Mars in Capricorn, Moon with Ketu in Aquarius in 4<sup>th</sup> house. Then half the zodiac is empty! Opposite the 4<sup>th</sup> house in the 10<sup>th</sup> house there is Rahu. Jupiter is in Virgo in 11<sup>th</sup> house and Sun and Mercury in the 12<sup>th</sup> house in Libra.

First of all there is this kaalsarpa yoga where all the planets are between Rahu and Ketu, the karmic controlling planets. These are also planets that cause eclipses and have dark hidden dangers. Sun is in debilitation in Libra. Mars is too strong in Capricorn and has exchanged places with Saturn. Moon just moves into Aquarius with Rahu at about 06:30 am, as if indicating some bad omen. Mercury will move into Scorpio with Saturn at about 7 pm the same day.

I see bad times for Hillary and Bill Clinton. Even if she is elected President by hook or by crook, I assure you that she will not last even half a year. Even that is too much. Many of her dark secrets will be out. I wrote earlier a couple of times that she is mentally affected and has Saturnian and Mars tendency. Very dangerous. Very soon she will lose her state of mind and can become either mentally unstable or sick or become very volatile, vindictive and dangerous.

Hillary Clinton's time of birth:

There are ambiguities about her time of birth.

*"At a political event in Concord, N.H., in the 1980s, New Hampshire astrologer Celeste Longacre said she approached Mrs. Clinton, who told her she was born at 8 p.m."*

Somewhere I read her birth time as 08:10 am.

*"New York astrologer Arlene Nimark got a different answer in 2003 at a Manhattan Barnes & Noble where the former first lady was signing her book "Living History."*

*When Ms. Nimark asked Mrs. Clinton for her birth time, she said it was 8 a.m."*

Hillary's Moon changes from Aquarius to Pisces at 08:33 am.

Donald Trup's time of birth:

Donald Trump's time of birth is said to be 10:54 am. But at 1:46 pm, his Moon changes from Scorpio to Sagittarius, and his Sun changes at 2:25 pm from Taurus to Gemini.

On the day of election, Hillary is surely going to be mentally affected by great fear, uncertainty and her mind will be fogged. She will have to take medications.

Donald Trump may still pull it off. After January 20<sup>th</sup>, he will become even stronger.

The way the planets are placed on November 8th, it does not good for anyone. I still feel only after the 3<sup>rd</sup> week of January, things will settle down.

I still feel that America is going to have a downfall. There will be dangers from terrorists, danger of wars and economic collapse. Only after September 2017, will there be some good recovery and reestablishment of the country. The 7 months from January to September 2017 will be crucial. Hillary will surely not survive this period. Let us pray that all goes well and nothing bad happens.

Please read below some interesting facts and also my earlier predictions which proved to be true.

God bless America

God bless the World

God bless Humanity.

## • IT'S OVER: Hillary's ISIS Email Just Leaked & It's worse than anyone could have imagined...

---

<http://www.usasupreme.com/hillarys-isis-email-just-leaked-worse-anyone-imagined/>

---

**11Tuesday** OCT 2016

Hillary Clinton, Friend of the Syria people? Like the USA is a friend of the people of Iraq, Afghanistan, Pakistan, Libya, Somalia, Yemen...?

**Today Wikileaks released what is, by far, the most devastating leak of the entire campaign. This makes Trump's dirty talk video looks like an episode of Barney and Friends.**

Even though when Trump called Hillary the 'founder' of ISIS he was telling the truth and 100% accurate, the media has never stopped ripping him apart over it.

Today the media is forced to eat their hats because the newest batch of leaked emails show Hillary, in her own words, admitting to doing just that, funding and running ISIS.

John Podesta, Hillary's campaign chair, who was also a counselor to President Obama at the time, was the recipient of the 2014 email which was released today.

Assange promised his latest batch of leaks would lead to the indictment of Hillary, and it looks like he was not kidding. The email proves Hillary knew and was complicit in the funding and arming of ISIS by our 'allies' Saudi Arabia and Qatar!

**“the governments of Qatar and Saudi Arabia, which are providing clandestine financial and logistic support to ISIL...” *Clinton wrote***

The media is yet to report on this, even though Wikileaks has a 10 year history of being 100% accurate in their leaks, never once releasing info that proved to be false.

*...Can you guess why?*

Maybe it has something to do with the fact that **The Saudi's brag about funding 20% of Hillary's Presidential campaign**, and along with Qatar, are among the largest donors to the CLINTON FOUNDATION.

Is it any mystery now why ISIS has flourished under the Obama/Clinton administration? The United States has created armed and funded the terrorists overthrowing Syria via our Terrorist State allies. When you know this it makes you look at the situation in Syria differently. Perhaps Russia and Iran are the ones fighting ISIS, it stands to reason once you know we are fighting Russia, and at the same time arming ISIS.

Clinton's campaign and her Clinton Foundation are literally funded by the SAME PEOPLE who are funding ISIS and killing hundreds of thousands of innocents in the Middle East, and now, even here at home.

This is nothing short of TREASON. Hillary must be sent to trial and held accountable for crimes against humanity and Treason against the United States of America.

We know the media will do all in their power to bury this story so it is up to us to use social media to make sure every voter in America knows this before they cast their vote for president on Nov 8th. You know what to do
